About me

A theatre student who works independently as an actress, singer and makeup artist and is looking to develop practical skills in the entertainment industry, while studying to specialize in art direction. Has interest in production, communication and creation.

Work Experience

Makeup Designer

Independent short films | Present

Started as a freelancer makeup artist and, since 2021, has developed the makeup designs for two different students short films, both with the direction of fantasy and artistic visual looks, and has also recruited and supervised the team of makeup artists while working on set.

Education

Bachelor in Theatre Arts (2024)

Universidade Belas Artes (FEBASP), São Paulo

- Been class president for the first year of university, learning how to manage group crises and communicate with superiors;
- Published an article on art direction and scenography about the manifestation of religious symbolism on art at times of humanitarian crises, under a research scholarship (2021 - 2022);
- Been in the position of producer, sound manager and music director on the student production of "Spring Awakening" the musical by Steven Sater (2022);
- Lead the scenography design group for the zoom production of "The Cherry Orchard", by Anton Tchekhov (2021)

Acting Gigs

HBO+ series

2023

Worked on set for 5 days with a small part for an original HBO+ teen show that will enter streaming services early 2023

Comercials

Worked as a model and actress for local and national commercials through a modeling agency
